Unit Statistics

	Attack	Defense
Peasant	1	0
Spear	2	2
Archer	1	0
Sword	3	2
Mace	3	1
Crossbow	1	0
Axe	4	1
Knight	4	4

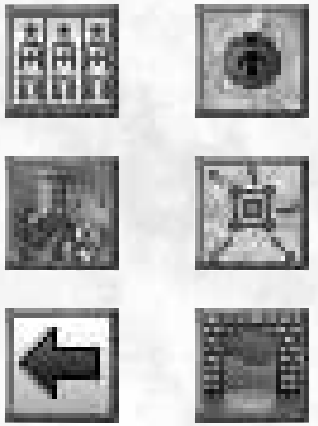

Notes:

1) The different abilities of unit types are reflected in the wages paid to maintain them after an army is raised.
2) When not in hand-to-hand combat, Archers and Crossbows are capable of ranged attacks. Archers can fire farther than Crossbows, while Crossbows inflict more damage.
